On 10/20/1994, the body of an unidentified deceased female was recovered in the open desert on Eagle Mountain Road in Desert Center, CA (Riverside County). The recovery location is approximately 0.6 miles north of I-10. The female is believed to be between 25 and 35 years old. She was wearing a black long-sleeved shirt and had on a yellow metal neck chain with a medallion in the shape of a ship's wheel with an anchor in the center (*pictured above*). Some of the victim's upper teeth had been replaced by a stay plate (acrylic partial denture).

Investigators are asking anyone with information about the identification of the victim, her jewelry, or knowledge about her disappearance or death to contact the Riverside County District Attorney's Office.
